3 December marks
the 5th anniversary of the Convention on Cluster Munitions
the 16th anniversary of the signing of the Anti-Personnel Mine Ban Convention
the International Day of Persons with Disabilities

In honour of survivors of these horrific weapons and other persons with disabilities in Afghanistan and worldwide, the ICBL-CMC is pleased to co-host this event with the Afghan NGO Community Center for Disabled featuring the photographs by Giovanni Diffidenti. The photo exhibition depicts the situation of persons with disabilities, including landmine and ERW survivors. Effective activities have been undertaken but more can and must be done and adequate funding needs to be channelled to this support. This photo exhibition provides a chance to see the effectiveness of disability support translated into enhanced abilities.
