

# 100 days to go!

In just 100 days the all-important **Nairobi Summit on a Mine-Free World** kicks off! This, the first Review Conference of the 1997 Mine Ban Treaty, will begin on 29 November and run until 3 December in the Kenyan capital.

The International Campaign to Ban Landmines, is **working hard** to ensure its success, together with partners in government, the United Nations, the International Committee of the Red Cross and others.

Now we are **stepping up efforts**! Our current priorities, outlined in the ACTION COUNTDOWN! are to:

- urge **governments to send high level, well-prepared delegations** to the Nairobi Summit
- **urge governments to input in the Action Plan** and other draft Summit documents
- **attract media coverage** of the Summit
